Hostel Allotment

PG students will be allotted a single room. Due to the limited availability of rooms in the Girls' Hostel, priority for accommodation will be given to students from home states other than Tripura. Girls from Home State Tripura may get accommodation at a later date. They have to provide their willingness for hostel accommodation by filling up a Google form. The link will be provided in the hostel notice. Students who do not get hostel accommodation are advised to arrange for their accommodation till they are allotted a room .

The screenshot displays the National Institute of Technology Agartala online payment system. The main content area is titled 'Common Payment Interface' and features a 'Latest Notice' section. Below this, there are sections for 'Attendance Details', 'Online Payment', and 'Result Details'. The 'Online Payment' section is the primary focus, showing a dropdown menu for 'Receipt Type' with 'Hostel Initial Fee' selected. A 'Payable Fee' field shows '7000.00'. A 'Show' button is located at the bottom right of the form. Red arrows and circles numbered 1 through 4 highlight the following steps: 1. Clicking on the 'ONLINE PAYMENT' menu item; 2.
